**Subject: Resignation from Teaching Position**

Respected Sir,

I hope this message finds you well. I am writing to formally resign from my position as a teacher at Aspire School. It has been a privilege to work with the students and contribute to their academic growth. However, I have found it increasingly difficult to manage the workload of teaching Pre-9th (three subjects), Class 9th (three subjects), and Class 10th (three subjects: Physics, Mathematics, and Computer) simultaneously. The workload has become overwhelming, especially as it is not accompanied by any additional compensation.

Furthermore, the current salary of PKR 20,000 does not align with the responsibilities and effort required to handle this teaching load. I have noticed that teachers handling fewer subjects receive the same payment, which makes this arrangement feel inequitable. For these reasons, I feel it is in my best interest to step down and seek opportunities where my work can be balanced and fairly compensated. I remain grateful for the support and experience gained during my time at Aspire School. Thank you for your understanding.

Sincerely,  
Afshan Yasmeen
